Thanks for sharing, Ed. I've asked about the possibility of sharing our transcript with DEP. Thanks again for being there.

Attached are the comments that were delivered at last night's meeting by Citizen Name / Ex. 6 one of the most active of the Minden residents.

I asked Citizen Name / Ex. 6 for the copy and told him that I planned to share them with some folks.

The comments are typical of those made by others at last night's meeting and at previous public meetings.
